# KERESZTES-NAGY BENCE

FRONTEND DEVELOPER

## ABOUT ME

I started my coding journey back in 2021 on Udemy. I'm an enthusiastic self-taught front-end developer, learning to code and practice in my spare time. I'm from Hungary but I lived in the UK for nearly 10 years. I'm seeking an entry-level position to use my skills in coding.

## TECHNOLOGIES

– HTML5
– CSS3

6600 Szentes Őze Lajos utca 13

## EXPERIENCE

### Frontend Developer

**Offconon (2022 -**

– Introduce husky to the nx project so that the linter fix will run before committing, and code with errors would no longer be pushed to the origin
– Creating reusable components
– Developed websites using HTML, CSS, and JavaScript

### Frontend Developer

**Addetweb (2022 -**

– Improved site speed by optimizing images, compressing code, and reducing HTTP requests when possible
– Implemented responsive design techniques so the site could be viewed on any device without issue

## EDUCATION & COURSES

### Udemy

2021 -

– Angular The Complete Guide 2022
– The Complete JavaScript Course 2021
– Advanced CSS and SASS Training
– The Web Developer Bootcamp 2021

### Pollák Antal Secondary Technical School, Hungary

2005 - 2009
